Our Inspiration:

Matthew 25:20-21: 'Master, you delivered to me five talents; here, I have made five talents more.' His master said to him, 'Well done, good and faithful servant. You have been faithful over a little; I will set you over much. Enter into the joy of your master.'"

What we do:

The Ten Talents Foundation empowers people to become greater stewards of their resources. We help them take their **One Talent** and multiply it into **Ten Talents** through a **FOUNDATION** of transformational giving. We do this in three main ways:

Donor Advised Funds

We help businesses, individuals, and families set up a variety of funds to streamline and increase their generosity. One of these funds is called a Donor Advised Fund (DAF). Through a DAF, they can:

- Give cash & non-cash assets
- Save time and simplify giving
- Unite gifts with others
- Turn tax dollars into ministry dollars
- Give through a personalized online portal

Ministry Partner Program

Our Ministry Partner Program equips qualified 501(c)3 ministries to fulfill their missions and remain healthy and effective through the responsible, creative, and strategic management of their resources. We:

- Provide resources & training
- Help ministries accept cash & non-cash gifts
- Connect ministries with one another
- Create & manage Ministry Funds

Community Education

Through webinars, workshops, videos, and one-one-one meetings, we help community members learn how to incorporate charitable giving in their wills, trusts, and tax planning for generational transformation.

Become a Ten Talents Financial Partner

Give directly to the Ten Talents Foundation's operations.

Become a Financial Partner of Ten Talents Foundation and help build into one of the most "impactful ministries in our region." Your small or large gift allows us to multiply your generosity exponentially by reaching more people, starting new giving funds, and partnering with more ministries.

Start a Donor Advised Fund

Empower ministries through tax-wise giving

Start your own Donor Advised Fund, a giving fund through the Ten Talents Foundation. A Donor Advised Fund (DAF) is very efficient, effective, flexible and easy. It is similar to having your own personal foundation but much more private and less expensive. A DAF is like a charitable investment account! It allows you to give assets or cash and save in taxes.

Give to an Impact Fund

Single focus. Multiple ministries. Significant impact.

Impact Funds focus and simplify your generosity toward one cause. We combine multiple qualified ministries who share the same mission and place them in one fund. This allows the Ten Talents team to leverage your generosity and be greater stewards for all those that give through us.

Acceptable Gift Types:

1. Cash
2. Securities
3. Real Estate
4. Tangible Personal Property
5. Property Interests
6. Crop / Agricultural Gifts
7. Oil, Gas, Mineral Interests
8. Life Insurance
