

“ Ten Talents [is] a Kingdom-minded, savvy resource for unleashing generosity locally. ”
 -Youth for Christ, Ten Talents Ministry Partner

2023 IMPACT

TO OUR PARTNERS,

Our region is faced with immense struggle and profound opportunity.

The San Joaquin Valley has the highest rate of violent crime in the state (PPIC, 2023) and shorter life spans compared to other regions due to disparities in education, pollution, and food access (SJVPHC Report, 2022). 20.6% of people living in Fresno County experience poverty (FEOC, 2022).

We exist to help you change this reality for the next generation.

The Ten Talents Foundation is a local, non-denominational Christian community foundation uniting families, businesses, churches and nonprofits to address our community's needs. You have the resources and passion. We are simply a "hub" designed to use those resources for greater impact.

You are mobilizing a movement of generosity and transforming our community.

See the proof on the other side of this page.
